Federal ESIGN Disclosure and Consent

Electronic Transactions Consent: Consent to Receive Information Electronically

The Electronic Signatures in Global and National Commerce Act requires users of this form and site (“you” or “your”) to consent to receive certain disclosures electronically. Please read this disclosure and consent carefully and retain a copy of this document for your records.

ELECTRONIC RECORDS

Some disclosures and communications are conducted electronically by Punt Group, LLC DBA iSoftpull and its affiliates (“iSoftpull,” “Company,” “we,” “our,” or “us”), in connection with your credit inquiry. This may include subsequent documents we may provide you in connection with your credit inquiry. Note that iSoftpull is a provider for third parties (e.g., lenders, dealers, solar panel providers, retailers, other sellers, finance companies, lead generators, etc.) who are interested in offering you credit (collectively “Lenders”). We are separate from the Lender, and the Lender will have its own consent to transact and receive information electronically.

In order to access, receive and retain required notices and your documents, including any notices and disclosures required by state or federal law that may be provided (collectively, "Documents") electronically, you must satisfy the minimum system requirements outlined below. However, if you wish to obtain a paper copy of any Documents that iSoftpull provides you in connection with your credit inquiry, you may contact iSoftpull, at 2270 Camino Vida Roble, Suite 1, Carlsbad, CA 92011, Attn: Compliance or by email at compliance@isoftpull.com . We currently do not charge a fee to send you a paper copy of any electronic Document.

We may send Documents to you in paper form because we believe we are legally required to do so or because we determine in our sole discretion that you should receive the Documents in paper rather than electronic form. We also reserve the right, in our sole discretion, to stop providing Documents electronically. In such event, we will provide you with notice of any such termination as required by applicable law. If we choose to stop providing Documents electronically, we will send any future Documents to you in paper form.

YOUR CONSENT IS REQUIRED

You must consent to receive Documents electronically in order to complete the credit inquiry process. Your consent will apply to Documents as defined above. You may withdraw your consent for receiving electronic Documents by notifying us contact at iSoftpull, at 2270 Camino Vida Roble, Suite 1, Carlsbad, CA 92011, Attn: Compliance or by email at compliance@isoftpull.com. Not consenting, or withdrawing your consent to receive electronic Documents may result in the termination of the credit inquiry process. Your withdrawal of this consent is effective only after we have had a reasonable period of time to act upon your withdrawal.

CONSENT TO RECEIVE DOCUMENTS ELECTRONICALLY

In order to use this service, you must consent to receive Documents electronically, and you agree that these electronic disclosures will be sufficient as a “writing” under applicable law.

HARDWARE AND SOFTWARE REQUIREMENTS

In order to receive, access and retain electronic Documents, you will need the following hardware and software:

- a computer, mobile device, tablet or similar device with an internet connection;
- a current web browser that supports HTTPS connectivity;
- a current version of a software program that can open and display PDF files (such as an Adobe Acrobat reader);
- a valid email address with email software to communicate with us electronically; and

- an installed printer or sufficient storage space to save, store, print, or otherwise retain electronic Documents.

These disclosures and the Documents are both provided to you in PDF; therefore, your access to this page from your own system/device verifies that your system/device has the necessary software to permit you to receive and access PDF files.

If the system requirements for accessing the copy of your Documents on the secure webpage change so as to require different or additional hardware or software, or upgrades, plug-ins or enhancements to the hardware or software used by you (all such changes referred to as a “Systems Enhancement”), we will notify you and we may ask you to provide a new affirmative consent.

This consent is valid until revoked by either party.

It is important that you keep your email address current with us. Please notify us at 760-579-6171 if your contact information changes during the credit inquiry process. We may treat your failure to provide an updated valid email address, or the malfunction of the email address you previously provided, as a withdrawal of your consent to receive Documents electronically.

System Requirements to Retain Information

To retain a copy of the Documents, you may choose to print them, save them, or both. In order to print them, you must have a functioning printer connected to your personal computing device. If you wish to retain an electronic version of the Documents, you must have a personal computing device with the hardware and software necessary to download and store PDF files.

By checking the box and clicking Submit, you:

- acknowledge your receipt and review of the foregoing Federal ESIGN Disclosure and Consent;
- give your affirmative consent to iSoftpull providing electronic Documents to you as described above; and
- confirm that your computer or access device satisfies the hardware and software requirements needed to access and retain the Documents that will be provided to you in electronic form.

If you do not check the box and click Submit, you are not consenting to our providing electronic Documents to you as described above, and you are terminating your transaction with us.
